# SELNET ALERT 23

Dear SELNET members,

Bruna David served as Chair for the Rapid Orals session at ASCO 2025.

Medical oncologist Bruna David, from the National Cancer Institute of Brazil and Oncoclínicas in Rio de Janeiro, led the Rapid Orals session alongside Kristen Nooshin from Stanford Cancer Center at the ASCO 2025 conference. This is a well-deserved recognition of Bruna's achievements, and we're proud that a member of SELNET played such a prominent role. The attendance number was huge, and the interactions were also encouraging and enriching. We want to send her a big CONGRATS, BRUNA!

Sincerely,
SELNET Executive Committee
