SELNET ALERT 28

Dear SELNET member,

Institution Classification Form - Now available on the website

The Institution Classification Form is **now available on the SELNET website for all centres that have not yet completed this step**. This form is essential to assess the organisation of sarcoma care in each institution and to determine their level of participation within the SELNET network:

🔹 **Observer.** Institution with no specific expertise or MDT in sarcoma, but interested in staying informed and participating in educational activities and guideline adoption programmes.

🔹 **Affiliate Member.** Institution with partial sarcoma expertise, no institutional MDT, but active in continuing education, guideline adoption and registry participation.

🔹 **Full Member.** Institution with an active and regular sarcoma MDT, committed to guideline implementation, registry programmes, and educational and research activities.

📝 The form includes information on:

- Care infrastructure
- Composition and functioning of the multidisciplinary committee
- Research activities
- Staff training and patient education

👉Please, if your centre has not yet submitted this information, we encourage you to complete it as soon as possible.

📌 Direct access to the form: https://selnetconsortium.org/

Thank you for your collaboration to further strengthen our network.

Sincerely,
SELNET Executive Committee
