# SELNET ALERT 38

---

Dear SELNET member,

This week, I would like to share **two important updates** with you:

**SELNET “Celso Mello” Research Grant**

Information about the **SELNET "Celso Mello" Research Grant** is now available on the **SELNET website**. There you can find the grant objectives, the call for applications, the requirements, and how to apply.

This grant, created in memory of **Dr. Celso Mello**, a Brazilian oncologist and active member of SELNET, aims to promote collaborative research on sarcomas and support young researchers in Europe and Latin America.

📌 **Check out the grant information here:**

**Poster SELNET at ESMO 2025**

Dr. David (Brazil) will present a poster based on the results of our survey of SELNET members on barriers to healthcare in Latin America.

- **Date of presentation:** Sunday morning
- **Location:** ESMO Berlin 2025

This work reflects the reality of sarcoma care in our region and highlights the importance of international collaboration to improve access and quality of care.

---

We encourage you to visit the scholarship section on the website and, if you are attending the conference, to view the poster at ESMO.

Thank you for your collaboration and for continuing to support SELNET's mission to strengthen research and care for patients with sarcoma.

Sincerely,

**SELNET Executive Committee**
